NOVA SCOTIA

Hants County 4-H @ Hants County Exhibition

In 2018 there are six 4-H clubs in Hants County with a total enrollment of 240 members, 55 Cloverbuds, 101 generous and dedicated volunteer leaders and members are involved in just over 622 individual projects. Hants County Members enroll in a wide variety of projects, with 40 different livestock and life skill projects in 2018.

4-H members are not only involved in their individual clubs but also in their communities, as they complete community service in a variety of ways. 4-H members represent their clubs at Exhibition competing to attend the 4-H Nova Scotia Provincial Show. Members also participate within the county at various public speaking events throughout the year. Many members attend Camp Rankin on an annual basis as well as competing in woodsmen and tug-of-war competitions.

Exhibition allows 4-H members to showcase their skills, and to learn and grow as leaders. It also gives other youth in the community the opportunity to see what 4-H is all about by being open to the public. For more information about 4-H in Nova Scotia please visit: <http://novascotia4h.ca/>.
