**GIVING BACK**

On behalf of the Government of Nova Scotia, I am proud to welcome you to the 2019 Hants County Exhibition.

Since 1765, Hants County has shown the world what our farmers and agriculture sector have to offer.

For the past 254 years, this event has allowed Nova Scotians to connect with their local farmers and learn more about how the food we eat is grown. Our industry plays an important role in our rural communities and contributes to the local and provincial economy. It is important that we take the time to celebrate it.

The Hants County Exhibition also provides Nova Scotians with an important experience and agricultural education. The ever-popular Future Farmers Day sees over 700 local elementary students become a part of our strong farming industry for a day through hands-on learning. All visitors can have great experiences at the exhibition through the many events including cheesemaking demonstrations, the Classic Heritage Beef Show (the biggest beef show east of Quebec), and seeing amazing local acts and performers.

These events wouldn't be possible without the hard work and dedication of volunteers, participants, visitors and sponsors. Thank you to everyone for supporting this event. It is because of you that this event has been the oldest and longest-running exhibition in North America.

Get ready for the 254th year of fun!
On behalf of the Windsor Agricultural Society, I would like to welcome you to the Hants County Exhibition. For 254 years Hants County has been hosting the exhibition, making it the oldest agricultural fair North America. We are very happy to continue to provide an opportunity for our community members to exhibit and compete with people from neighbouring communities during our fair.

Events of this magnitude take countless hours of planning. We’d like to thank all of our staff for the extra effort they put into preparing for this event. A big thank you goes out to all of our volunteers, sponsors, and committees for the continued support of our fair.

We would also like to thank our Municipal, Provincial and Federal Government partners for the support during this year of great change. Their commitment to our organization ensures families who otherwise might not have an opportunity, are brought a little closer to agriculture and a greater understanding of where their food comes from.

As all of our exhibitors have put a great deal of effort, time, and care into preparing for this exhibition, please be sure to take in as many events as you can. You won’t be disappointed!

Hants County Exhibition bringing communities together since 1765.

Let’s make 2019 the best year yet.

Sincerely,

Ryan Knowles

Windsor Agricultural Society recognizes the support of the Province of Nova Scotia. We are pleased to work in partnership with the Department of Communities, Culture and Heritage to build strong communities, promote culture and an active lifestyle.
NOVA INTERNATIONAL OPEN POLES  September 13/14/15

Miniature Animals
Come meet the miniature animals - horses, donkeys, goats, pigs, bunnies and guinea pigs - of Dragonfly Haven Therapeutic Farm from Mt. Denson. They are no ordinary farm, but offer an alternate approach to healing. Interaction with animals helps treat mental health issues including depression. Petting and playing with an animal can decrease stress in humans. Having an animal to care for can give a person a sense of purpose. Find Dragonfly Haven throughout exhibition on the patio.

Pet & Pose
with the minis & The Yoga Hen
You bring your mat. Dragonfly Haven will provide the little critters
Sept 21 & 22 Saturday & Sunday

Comfort Rooms

If you are looking for a quiet place to change and feed your baby or child we have two of them in 2019. One is in dressing room #7 in Exhibition Arena. The second room is near the main Pedestrian Entrance off the parking lot in the long hall of the Industrial Building. They’re not fancy but will be clean and will offer a quiet break from the sights and sounds of exhibition. Thank you in Windsor Pharmasave for supporting and sponsoring our Comfort Rooms.

Keeping you charged
We will be offering a convenient location to charge your phones. Please follow up on Facebook and Instagram for more information.

Building a new future!
The Windsor Agricultural Society is excited to welcome our new neighbour - the West Hants Sports Complex - a brand new indoor hockey and soccer facility. In 2020 Exhibition Arena’s days as the community hockey rink will end, and we will move forward with an arena that will remain an ‘earth in’ facility - extending our livestock show season and opening up new opportunities for our Hants County Exhibition Park.

Please be patient as we grow...
We recognize parking and camping may be more challenging during our 254th year during construction of the new Sportsplex.

We have teamed up with generous community sponsors Rafuse Golf Cars and Pothier Motors to provide courtesy transportation within our exhibition parking lot and in our overflow parking. We have plenty of parking available, but it may be a bit further away during busy times.

We encourage our guests to wear comfortable shoes, bring friends and travel together where possible, or be dropped off to access our Main Wentworth Road Gate.

We have a great show planned for you - and we are excited for what the future holds. Please bear with us as we take the necessary steps to make future improvements and take our Park into the future.

Watch for our courtesy rides!

Hants County 4-H @ Hants County Exhibition

In 2019 there are six 4-H clubs in Hants County with a total enrollment of 274 members, 47 Cloverbuds, 101 generous and dedicated volunteer leaders and members are involved in just over 513 individual projects. Hants County Members enroll in a wide variety of projects, with 40 different livestock and life skill projects in 2019.

4-H members are not only involved in their individual clubs but also in their communities, as they complete community service in a variety of ways. 4-H members represent their clubs at Exhibition competing to attend the 4-H Nova Scotia Provincial Show. Members also participate within the county at various public speaking events throughout the year. Many members attend Camp Rankin on an annual basis as well as competing in woodmen and tug-of-war competitions.

Exhibition allows 4-H members to showcase their skills, and to learn and grow as leaders. It also gives other youth in the community the opportunity to see what 4-H is all about by being open to the public. For more information about 4-H in Nova Scotia please visit: http://novascotia4h.ca/. **Please note**

4-H members please confirm all times with your leaders!

PIONEER SEEDS KITCHEN
Come see our new kitchen! This past winter the Windsor Agricultural Society was the Atlantic Canadian winner of the “Here’s to Hometowns” video contest. Loyal community voting took us to the top to win the much needed kitchen renovations to our O’Brien Building kitchen. We removed the wall separating the kitchen from the hall, painted, updated the fire suppression equipment, installed new flooring, electrical, plumbing and lighting, new countertops, sinks, and faucets. We resurfaced and repurposed what we could, including the original stainless steel serving counter. By rethinking and reworking some of what we had we were able to avoid sending additional material to the landfill. We also turned the material from the wall into the sponsor recognition stands you will see around the park. Thank you to our loyal community for voting and thank you Pioneer Seeds!

Come and enjoy Chef Dominic’s crepes, coffee and smoothies at our new Pioneer Kitchen during our 254th. He’ll also be offering up simple recipes and demonstrations by taking advantage of our beautiful local bounty.

BEFORE:

DURING:

COME SEE THE “AFTER” IN PERSON!

And while you’re here, take in the Arts, Crafts, Photography, Home Crafts, Baking, Preserving, and the beautiful flower arrangements.

The O’Brien Building is the brick building directly across the courtyard from the front of Exhibition Arena.

Congratulations on your 254th year from your friends at Divert NS!

Classic Heritage Beef Show

The Hants County Exhibition Classic Heritage Beef Show has brought back the tradition of encouraging communication and education within the beef farming community. It celebrates the efforts of a farmer’s hard work and dedication to his/her livestock. The resurrection of the professional showing of beef cattle at the Hants County Exhibition does much to ensure the future of beef farming and agriculture in Atlantic Canada. This top quality beef show is back for it’s fifth year in 2019, and over 250 head are expected from across Eastern Canada.

Breed featured:
Charolais, Simmental, Limousin, Commercial/crossbreds, Hereford, Angus, Shorthorn

Classes offered
- Heifer calves
- Yearlings Heifers
- Two year old cows with calves
- Mature cows with calves
- Bull calves
- Yearling bulls
- Two Year old bulls

Breeds featured:
Charolais, Simmental, Limousin, Commercial/crossbreds, Hereford, Angus, Shorthorn

Congratulations to the Oldest Agricultural Fair in North America on 254 years.

Competing jumper riders are invited to enter a team of four to jump for prize money and their names on the beautiful Oland & Son Intertownship Team Jumping BIG SILVER PLATTER. Based on a Nations Cup format, riders will jump at their nominated height - two from the lower divisions and two from the higher divisions. Teams will compete under their favourite Hants County community names.

Winning Team from 2018 Jumper Challenge L-R: Gillian Davidson (Starstruck), Emily Maynard (Roger That), Savannah Miller (T.G.I.F), Lindsay Bradshaw (Nieka)
Can they do it again in 2019?

HANTS COUNTY JUMPER CHALLENGE
SATURDAY SEPTEMBER 21 @ 6:00pm

HOOVES, PAWS & BOOTS RELAY
FRIDAY SEPTEMBER 20 @ 8:30pm

We are excited to offer a new timed jumper event. Teams will be created with one horse/rider combination, one dog/handler combination, and one runner (could be the rider or an extra person). The horse/rider combination will go first by completing a jumper course of 0.75m, and then they will either tag their runner or hand their horse off to a groom. The person will complete a series of obstacles on foot before tagging the dog handler to start the dog agility course. The timer will stop when the dog finishes their course.
**Tentative schedule**
Friday Sept 20

**EXHIBITION ARENA**

“We Serve”

HOVEES & PAWS POLES RELAY
SUNDAY SEPTEMBER 22 @ 12:55pm
We are excited to offer new timed
gymkhana event for both jumpers and riders.
Teams will be created with one horse/rider combination and one dog/handler combination. The horse/rider combination will go first by completing a pole-bending course set on the quarter line. As they cross the finish line, this will cue the dog handler to start the dog agility course. The timer will stop when the dog finishes their course.

Walter McLean Memorial
The McLean family are gymkhana enthusiasts but realize it takes a good horseman to ride. The Walter McLean Memorial is a pattern class designed to show the rider’s ability to ride and handle his or her horse. The pattern is set so rider and horse must perform different maneuvers to show the obedience of the horse and the skill of the rider to make it look like they are doing nothing to guide the horse through the pattern.

@ the Glooscap Corral by the main livestock barn. And don’t miss the Hooves & Paws Relays in the main arena Friday evening and Sunday afternoon!
The Windsor Agricultural Society and Hants County Federation of Agriculture

An adventure in agriculture & learning

Future Farmers Friday is an opportunity for local school children to learn about the production of food, and the agricultural industry while celebrating our local harvest.

On Friday September 13, 2019, the Oldest Agricultural Fair in North America will open our gates to over 700 local grade P-3 students, their teachers and chaperones for the 5th year of this popular event.

The event is free to the schools attending and would not be possible without the support and engagement of the Hants County Federation of Agriculture, Windsor Agricultural Society, community volunteers, local farmers, growers, producers and the many others who give their time, and knowledge to help make this special event happen.

Future Farmers Friday

photos Jim Ivey
Proud builders

of the new
West Hants
Sports Complex

The West Hants Sports Complex will be built to meet the needs of the community and provide easy access for all members. The sports complex will include a 100’ X 200’ synthetic soccer field, an NHL size hockey rink, round walking/running track, spectator seating for 500 around the rink, a lounge food court, and 14 dressing rooms.

Keep it Real
Nova Scotia Christmas Tree Growers Competition
September 13, 14 & 15 (Exhibition Hall)
Nova Scotia Christmas Tree farming provides thousands of local jobs, millions of dollars to the provincial economy and beautiful natural trees to families far and wide. Come see “Keep it Real” - Christmas Trees from local growers competing for prizes. Vote for your favourite!

Chain Saw Filing/Fast Cut Competition
Sunday Sept 22 @ 1:00pm start (filing). Competition to start at 2:30pm (Outside just off Exhibition Main Street before the Antique engines)
Briefly, the Chair Saw Filing/Fast Cut Competition tests an entrant’s ability to freehand file a chain (teeth and/or drags), and use the chain to compete against others, using the same chainsaw, to make the fastest timed cuts through a timber. It is set up to test the person’s ability to make a chain cut and his/her technique in handling a chain saw to make fast cuts.

There are two classes, a Husqvarna class and a Stihl class. The entrant purchases a chain for $20.00 (which he/she keeps), files it and uses it in a fast cut competition. He/she is asked to make timed cuts, one downward and one upward, through a 10’ by 10’ timber. Fastest time wins. The fastest competitor in each class will then file a chain for the chain saw in the opposite class and saw again. The person having the fastest combined time being the overall winner.

** Each competitor must be outfitted in proper safety clothing and be wearing the clothing properly when operating any chain saw in the competition. Competitors must be 18 years of age.**

Motorsports
Demo Derby - September 14 @ 1pm

Volunteers are the heart of agricultural fairs

HCEx has over 100 dedicated volunteers. Directors, committee members and friends of exhibition who have stepped up their efforts to meet and adapt to all the exciting changes and challenges of new era. Thank you!

Exhibition prep starts early in the year!

(Above) Out and about on a drizzly spring day. Jackie Parker from Brooklyn Village Garden Centre was on site planning our now beautiful Windsor Home Hardware planter boxes. Our awesome crew spent a busy summer painting and clipping. Exhibition Park is a work in progress, but with the help of great community sponsors like Windsor Home Hardware we will get there.
“Together is about people coming together, with each other and community leaders - working towards common goals, share aspirations and a collective vision. It’s about building strength, growth and prosperity. It’s about increasing decision making power, having a louder voice, and leaving the people, the communities and the region empowered. Together is about growing infrastructure, resources, employment, education and industry. Most of all, it’s prosperity. It’s about opening our eyes and greeting a new day. It’s about focusing on the future today and having a vision for a brighter tomorrow. It’s about realizing that together, we can go anywhere.”
