

2022  
Hants County Ex  
Farmers' Market  
at the Fairgrounds

Welcome to our fairgrounds and the second running of the Hants County Farmers' Market (HCFM). We are excited to once again host this weekly event.

Having refreshed our site plan for this season, we are able to present new opportunities for increased signage, indoor/ outdoor seating, and entertainment pavilions. In offering a dedicated space for our vendors, we hope to engage with our community while gathering at a accessible location.

As we continue to embrace the principles of “make it, bake it, grow it”, we invite our community to come together and share in our regions bountiful breadbasket. We hope you will join us for a successful 2022 Farmers' Market season. On behalf of the Windsor Agriculture Society, we thank you for your continued support of our fairgrounds.
